# PARTS PROMOTION 2026

Dear Customers,

*Winter is over – now it's time to get your machines ready for the upcoming season!*

In 2026, Prinoth is once again supporting you with our proven parts promotion. This allows you to equip your vehicles early with genuine Prinoth spare parts and optimally prepare them for the new season. Take advantage of our attractive tiered pricing to efficiently, easily, and cost-effectively stock up your inventory of wear parts and maintenance components.

Our practical spare parts kits make parts servicing especially easy. Each kit contains all the parts required for a specific service task—saving you time and enabling even more efficient maintenance planning.

## **New in 2026:**

**UPGRADE-KITS:** Our focus is on upgrade kits. Modernize your machine in a targeted way and bring it up to the latest standard. You can find the most important kits on page 13.

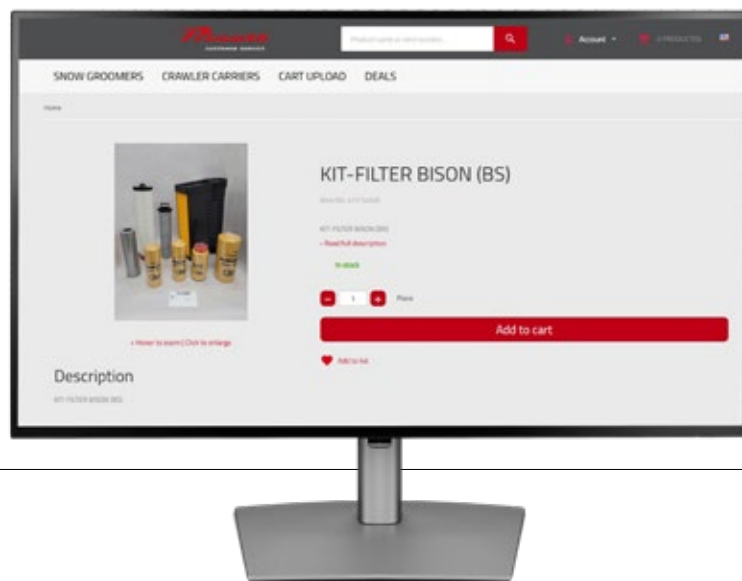

**TOOLS:** Our high-quality tools make maintenance, repair, and assembly of machines and vehicles easier. They ensure that work is carried out faster, safer, and more precisely—saving you time and minimizing damage.

**PRODUCT IMAGES:** Prinoth is constantly striving to improve. As of now, more and more parts promotion items featured in the brochure will be displayed with product images in the Prinoth Parts Shop, providing you with an even more intuitive and comfortable online shopping experience.

In addition to all these new features, you can continue to conveniently order all genuine Prinoth spare parts and kits via the Prinoth Parts Shop as usual. There you will find detailed information about the parts, their installation locations, and the contents of the kits. Tiered prices are displayed directly, and order quantities can be adjusted flexibly. If you have any questions or need support, our Customer Service Team is always available by email, phone, or in person. Our technicians will be happy to advise you on your summer overhaul—simply contact your local representative.

*We wish you a successful summer and an optimally prepared start to the new season!*

**Your Prinoth Customer Service Team**

**More and more parts campaign items will feature product images to make finding and ordering spare parts easier.**
